16 <sup>th</sup> July	Perkins/Mccallum	Scopelliti	Hogan	Ketchell/Kennedy	Peta Bromliow	Austin
-----------------------	------------------	------------	-------	------------------	---------------	--------

PS. PLEASE be aware that I have tried very hard to put every family down on the roster the same number of times. Names are not spread out evenly across the season due to the nature of the beast.

BUT every family (with a couple of exceptions) is down a maximum of three times. So it may be that you feel you are called up with repetition in the short term, but you have still only be asked three times.

AS always if you need to swap, that option is always available.

Remember if you have time on Wednesday your assistance in the canteen or manning the Bar, is much appreciated.
